381. King George's Field
Councillors confirmed that they had read the deeds of the field that had been circulated by the Vice Chair. It was agreed that the purpose of the meeting was to decide what to approach the Estate with as a business plan for the field as it had been agreed that it needs to be a better amenity for the community. It was noted that the land registry map doesn't match up with the actual field. The CC doesn't want anything that will cause a lot of maintenance, especially in the winter. However, it was suggested that a flat area where sports can be played would be an asset. The CC could possibly apply for grant funding for the work to be done. Once costs have been gathered a meeting will be held with the Estate.

Actions:

1. Talk to Fields in Trust and take their advice as a starting point
Cllr D Edwards
2. Costs for the basic fencing, to fix the small gates and roll the field
Cllrs D Edwards and H Williams.
