

To whom it may concern,

Re; Pen Y Bryn Common

Further to previous discussions and subsequent Council meetings, Llanelidan Community Council would like to confirm their position regarding Pen Y Bryn Common (VG12).

1. No shooting on or over the common is allowed and every effort should be made to minimise any shot falling on the common.
2. Access to the common is for parishioners only.
3. No vehicle access is allowed without specific authorisation.

Thank you for your continued cooperation in this matter.

Yours Faithfully
